Independent auditors' report

To the Board of Trustees of
Calgary Health Trust

Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of **Calgary Health Trust** ["CHT"], which comprise the statement of financial position as at March 31, 2019, the statements of operations and changes in fund balances, accumulated remeasurement gains and losses and cash flows for the year then ended and a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of CHT as at March 31, 2019 and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of CHT in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian generally accepted accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing CHT's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate CHT or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing CHT's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CHT's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on CHT's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause CHT cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO FINANCIAL STATEMENTS

March 31, 2019

1. NATURE OF ORGANIZATION

Calgary Health Trust (CHT) is a not-for-profit organization and a registered charity established under the *Income Tax Act* (Canada). It is a controlled entity of Alberta Health Services and subject to the provisions of the *Regional Health Authorities Act Foundations Regulation*.

The primary purpose of CHT is to coordinate fundraising efforts for the benefit of health programs and other health initiatives within the Calgary area. CHT also invests and manages designated endowment funds.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the Canadian Public Sector Accounting Standards (“PSAS”), which sets out generally accepted accounting principles for government not-for-profit organizations in Canada. CHT has chosen to use the standards for government not-for-profit organizations that include PSAS 4200 to 4270. The financial statements have been prepared based on the significant accounting policies summarized below:

a) Fund accounting

For financial reporting purposes, the accounts of CHT have been classified into the following funds:

(i) *Operating Fund*

The Operating Fund accounts for the operating activities of CHT.

(ii) *Restricted Fund*

The Restricted Fund accounts for donations and grants that are donor-designated for specified programs, sites and organizations. All funds held in the Restricted Fund are available to be disbursed for the designated charitable purpose.

(iii) *Endowment Fund*

The Endowment Fund accounts for donations and investment income that are to be held permanently by CHT as directed by donors or the Board of Trustees.

NOTES TO FINANCIAL STATEMENTS

March 31, 2019

b) Cash

Cash includes cash on hand. Cash held for investing activities by fund managers is included in investments.

c) Financial instruments

Investments have been categorized as fair value and are recorded at market value. CHT's investments are held in investment pooled funds that are professionally managed and index funds in accordance with CHT's investment policies.

Transaction costs are recognized in the statement of operations in the period during which they are incurred.

Other financial instruments, including amounts receivable, accounts payable and accrued liabilities and charitable disbursements payable, are initially recorded at fair value and are subsequently measured at cost, net of any provisions for impairment.

CHT measures the fair market value of its financial assets based on their classification in a hierarchy comprising three levels, described as follows:

1. Level 1: Valuations based on quoted prices (unadjusted) in active markets for identical assets;
2. Level 2: Valuations based on directly or indirectly observable inputs in active markets for similar assets, other than Level 1 prices, such as quoted interest or currency exchange rates; and
3. Level 3: Valuations based on significant inputs that are not derived from observable market data, such as discounted cash flow methodologies based on internal cash flow forecasts.

NOTES TO FINANCIAL STATEMENTS

March 31, 2019

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

d) Other assets

Other assets consist of costs related to future fundraising events and lotteries. These costs are expensed when the fundraising events and lotteries are held. Other assets also consist of the cash surrender value of life insurance policies. The annual premiums are paid by donors. As the realizable amount of such policies in excess of the cash surrender value is not certain, CHT will record the benefits in excess of the cash surrender value when the proceeds are known.

e) Deferred revenue

Revenue related to lotteries for which prize draws take place after March 31, and fundraising for events that will take place subsequent to the year-end are deferred. Deferred revenue will be recognized when the fundraising events and lotteries are held.

f) Revenue recognition

CHT follows the restricted fund method of accounting for contributions. Grants, bequests and other donations are recorded when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Pledged donations are recorded in the year received, since pledges are not legally enforceable claims. Externally restricted contributions, except endowment contributions, are recognized as revenue of the Restricted Fund when received. Unrestricted contributions are recognized as revenue of the Operating Fund when received. Externally restricted endowment contributions are recognized as revenue of the Endowment Fund when received. Generally, 5% of restricted donations are allocated to the Operating Fund to assist with the operational costs of CHT.

Investment income includes dividend, interest income, income distributions from pooled funds and realized gains or losses on the sale of investments. Unrealized gains and losses on investments are recognized in the statement of accumulated remeasurement gains and losses until the related investments are sold. Once realized, these gains or losses are recognized in the statement of operations. 1% of the Endowment Fund balance is recognized as investment income earned in the Operating Fund for administration fees and amounts that are available for disbursement allocation are recognized as revenue of the Restricted Fund. Unrestricted investment income earned on internally restricted Endowment Fund resources is recognized as revenue of the Operating Fund. Investment income that has been reinvested is recognized as revenue of the Endowment Fund. Unrestricted investment income earned on Endowment Fund, Restricted Fund and Operating Fund resources is recognized as revenue of the Operating Fund.

g) Contributed materials and services

Volunteers contribute a significant amount of time each year to assist CHT in carrying out its activities; however, the value of volunteer time is not recognized in these financial statements because the fair market value cannot be reasonably determined. Donated supplies and gifts-in-kind are valued based on fair market value when it is reasonably determinable.

Calgary Health Trust

NOTES TO FINANCIAL STATEMENTS

Endowment Fund	534,106	287,373
	<u>70,814,836</u>	<u>84,200,797</u>

Cash held in the Restricted Fund includes lottery proceeds from previous lotteries, lottery ticket sales from the current Foothills Hospital Home lottery, and funds awaiting disbursement. CHT has received permission from Alberta Gaming Liquor and Cannabis to defer disbursement of \$22.6 million for projects that will not be completed before 2020. The amount of lottery in progress is \$9.6 million (2018 - \$10.9 million). In addition, CHT holds \$23.1 million (2018 - \$42.0 million) in high interest (2019 – 1.90 %; 2018 - 1%) accounts pending investment in accordance with CHT’s investment policies.

4. AMOUNTS RECEIVABLE

Calgary Health Trust

NOTES TO FINANCIAL STATEMENTS

March 31, 2019

6. FINANCIAL INSTRUMENTS

CHT's portfolio investments consist of the following categories:

	Market Value	
	2019	2018
	\$	\$
Level 1		
Cash & Cash Equivalents	21,333	-
Core Canadian Short Term Bond Index	9,379,314	-
S&P/TSX 60 Index	9,456,224	-
Total Level 1	18,856,871	-
Level 2		
Jarislowsky Fraser Bond Pooled Fund	7,615,379	7,986,006
Jarislowsky Fraser Canadian Equity Fund	17,386,348	15,631,543
Jarislowsky Fraser Global Equity Fund	32,095,975	29,368,301
Total Level 2	57,097,702	52,985,850
Total Portfolio Investments	75,954,573	52,985,850

The asset allocation of the Level 2 funds as at March 31, 2019 is as follows: Short-term 3.2% (2018 - 3.6%); bonds 31.8% (2018 – 33.7%); Canadian equities 43.1% (2018 - 41.0%); and non-Canadian equities 21.9% (2018 - 21.7%). During 2019, Level 1 and Level 2 investments earned a 2.9% (2018 – nil) and 7.2% (2018 – 2.5%) return, respectively.

There were no transfers of assets between Level 1, Level 2 and Level 3.

NOTES TO FINANCIAL STATEMENTS

March 31, 2019

6. FINANCIAL INSTRUMENTS (CONTINUED)

During the year, donations of securities received by CHT were liquidated and the net proceeds were disbursed for charitable purposes or reinvested in professionally managed pooled funds.

Within the pooled funds, treasury bills, commercial paper, bankers' acceptances, and discount notes mature between six days and one year and bear interest at an average effective yield to maturity of 1.52% (2018 – 1.10%).

Publicly traded fixed income instruments in the funds are managed with the objective of providing optimal returns while maintaining maximum security of capital. Return is optimized within risk constraints through the management of duration and issuer mix. The bonds held within the bond fund bear interest at an average effective yield to maturity of 2.42% (2018 – 2.62%).

Equity investments in the funds are managed with the objective of providing a diversified approach towards obtaining risk-adjusted returns through complete business cycles. Diversification is achieved through investing across an assortment of countries and sectors. The equity funds offer growth and, being long-term in nature, are ideal for protecting CHT's investment capital from the effects of inflation.

Foreign securities are translated into Canadian dollars at the exchange rate in effect on the last day of the fiscal year.

Foreign currency risk

CHT is exposed to foreign currency risk from possible negative fluctuations in foreign currency rates related to investments in foreign securities.

Interest rate risk

CHT is exposed to interest rate risk from holding securities with a fixed rate of interest and a specified maturity date.

Credit risk

CHT is exposed to credit risk in connection with its short-term and fixed income investments, because of the risk that one party to the financial instrument may cause a financial loss for the other party by failing to discharge an obligation.

Liquidity risk

CHT is exposed to liquidity risk in that it could encounter difficulty in meeting obligations associated with its financial liabilities.

Other price risk

CHT is exposed to other price risk through changes in market prices, other than changes arising from interest rate risk or foreign currency risks, in connection with its investments in equity securities and pooled funds.

Calgary Health Trust

NOTES TO FINANCIAL STATEMENTS

March 31, 2019

6. FINANCIAL INSTRUMENTS (CONTINUED)

Foreign currency, credit risk and interest rate risk are managed in accordance with CHT's investment policies and through the use of professional portfolio managers whose performance is reviewed regularly. Liquidity risk is managed by maintaining significant cash balances in excess of current obligations. Other price risk is managed by investing in funds professionally managed with significant diversification.

7. ENDOWMENTS

Endowment net assets represent resources that are required by the donor or the Board of Trustees to be maintained by CHT on a permanent basis.

Endowment net assets consist of the following:

	<u>2019</u>	<u>2018</u>
	\$	\$
Externally restricted	<u>22,590,388</u>	22,244,324
Internally restricted by the Board of Trustees	<u>8,315,446</u>	8,037,045
Subtotal	<u>30,905,834</u>	30,281,369
Accumulated remeasurement (losses) gains	<u>38,822</u>	(368,763)
Balance, end of year	<u>30,944,656</u>	<u>29,912,606</u>

CHT has a policy designed to protect the real value of endowments by limiting the amount of investment income made available for spending in the following year to the lower of the investment income earned or 5% of the ending endowment balance as at March 31, 2019. Endowment Funds incur a 1% administration fee on the portfolio investment fund balance related to endowments, which is recorded in the Operating Fund. The balance remaining is reinvested, as are any funds not disbursed within the time frame allocated for spending. Reinvested investment income is recorded in the Endowment Fund.

In fiscal 2019, investment income on externally restricted endowment net assets was \$1,287,088 (2018 - \$826,363) and was recorded as revenue in the statement of operations. The amount of \$1,060,075 (2018 - \$414,187) was made available for spending and recorded in the Restricted Fund, and nil (2018 - \$196,438) was reinvested into the Endowment Fund (*note 8*).

In fiscal 2019, investment income on internally restricted endowment net assets was \$467,572 (2018 - \$287,569) and was recorded as revenue in the statement of operations. The amount of \$377,477 (2018 - \$110,635) was inter-fund transferred to the Restricted Fund, representing the investment income made available for spending, and nil was inter-fund transferred to the Endowment Fund (2018 - \$98,130) representing the amount reinvested.

NOTES TO FINANCIAL STATEMENTS

b) Joint fundraising initiative

During fiscal 2006, CHT entered into an agreement with the University of Calgary and Alberta Health Services for a joint fundraising initiative called Reach! The agreement was made effective as of April 1, 2005 and was for a four year term to June 30, 2009. There are pledge commitments made to the Reach! campaign that extend to March 2019. The accompanying financial statements include pledged donation payments in the amount of \$50,000 (2018 - \$99,766) received by CHT in support of this initiative. During the year, disbursements from the Reach! campaign totalled \$50,000 (2018 - \$99,766).

c) Board of Trustees

A senior executive of Calbridge Homes Ltd is a member of CHT's Board of Trustees. CHT purchased two homes from Calbridge Homes Ltd in fiscal 2019 totalling \$5.0 million dollars. These homes were awarded as prizes in the Foothills Hospital Home Lottery and Hospital Home Lottery programs.

11. OPERATING EXPENSES

Operating and restricted expenses of CHT consist of the following:

	Operating	Restricted	2019	2018
	\$	\$	\$	\$
Fundraising and donor stewardship	4,212,549	360,872	4,573,421	4,547,039
Organizational and volunteer support	501,862	-	501,862	511,627
Marketing and communications	313,232	-	313,232	245,793
Investment management and custodial fees	196,682	-	196,682	205,602
	<u>5,224,325</u>	<u>360,872</u>	<u>5,585,197</u>	<u>5,510,061</u>

12. INTER-FUND TRANSFERS

Inter-fund transfers consist of reallocations requested by the contributors and approved by the Board in accordance with the approved policy. These transfers include allocations to the Endowment Fund from Restricted Funds for donors advising as to how funds are to be reinvested, from the Operating Fund for internally restricted reinvestments into the Endowment Fund and an annual allocation of lottery proceeds to the Endowment Fund.

13. COMPARATIVE FIGURES

Certain amounts from 2018 have been reclassified from their original presentation to conform to the presentation adopted in 2019.
