Independent Auditor's Report

To the members of Meow Foundation for the Adoption of Abandoned Cats:

Qualified Opinion

I have audited the accompanying financial statements of **Meow Foundation for the Adoption of Abandoned Cats**, which comprise the Statement of Financial Position as at **June 30, 2022**, and the Statement of Operations, Statement of Changes in Fund Balances and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our Report, the accompanying financial statements present fairly, in all material respects, the financial position of **Meow Foundation for the Adoption of Abandoned Cats** as at **June 30, 2022**, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Foundation derives revenues from fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Foundation. Therefore, I was not able to determine whether any adjustments might be necessary to fundraising revenue, increase (decrease) in funds, cashflows from operations for the year ended **June 30, 2022**, current assets as at **June 30, 2022**, and net assets at **July 1, 2021** and **June 30, 2022**. The auditor's opinion on the financial statements for the year ended **June 30, 2021** was modified accordingly because of the possible effects of this limitation in scope.

I conducted the audit in accordance with Canadian generally accepted auditing standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of **Meow Foundation for the Adoption of Abandoned Cats** in accordance with the ethical requirements that are relevant to the audit of the financial statements in Canada, and have fulfilled any other ethical responsibilities in accordance with these requirements. I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for the qualified opinion.

Other Matters

During the year, **Meow Foundation for the Adoption of Abandoned Cats** approved the collapse of the internally restricted Power the Purr Fund into the operating fund as the requirements of the internally restricted fund had been met. These financial statements show \$nil amounts for the internally restricted fund for comparative purposes to the year ended **June 30, 2021**.

On April 26, 2022, the **Foundation** incorporated a Canadian Controlled Private Corporation, **2425162 Alberta Ltd.** (the **Corporation**), for which it is the sole common share owner. The private **Corporation** was then used to acquire the assets and operations of an existing privately owned business, **Regal Cat Café** in June of 2022. A committee has been formed by the **Foundation** to sit on the board of directors of the **Corporation** (o/a **Regal Cat Café**), which oversees the separate books and operations of the **Corporation** and is subject to Part I corporate income taxes. The **Foundation** has elected to record its ownership of common shares in the **Regal Cat Café** using the equity method of investment on its Statement of Position, while profits paid to the Foundation are recorded as income in the Statement of Operations.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing **Meow Foundation for the Adoption of Abandoned Cats** financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Meow Foundation for the Adoption of Abandoned Cat's** internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on **Meow Foundation for the Adoption of Abandoned Cat's** ability to continue as a going concern as at **June 30, 2022**. If I conclude that a material uncertainty exists, I am required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the opinion. My conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause **Meow Foundation for the Adoption of Abandoned Cats** to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during my audit.

Meow Foundation for the Adoption of Abandoned Cats

Notes to the Financial Statements

(Audited)

June 30, 2022

1. Nature of the organization:

MEOW Foundation for the Adoption of Abandoned Cats (the "Foundation") was incorporated on July 27, 2000 under the Alberta Societies Act as a not-for-profit organization under the name Make Each One Wanted Foundation for the Adoption of Abandoned Cats.

The Foundation is dedicated to working with the public to rescue homeless cats from the City of Calgary streets and surrounding areas in order to prevent and alleviate animal suffering and reduce pet overpopulation.

The Foundation is a registered charitable organization and under present legislation is not subject to income taxes.

The financial statements reflect the assets, liabilities, net assets, net revenues and other transactions of all of the operations of the Foundation. Accordingly, these financial statements include the administrative and other operating expenditures funded by donations, grants and other general revenue.

2. Significant accounting policies:

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the CPA Canada Handbook and include the following significant accounting policies:

(a) Basis of accounting

Management has concluded that the going concern basis of accounting is appropriate for the Foundation.

Fund accounting

The Foundation has classified accounts with similar characteristics as follows:

Operating fund

The Operating Fund accounts for assets, liabilities, revenues and expenditures related to the operations, program delivery and administration of the Foundation. Restricted donations are deferred until spent.

Power the Purr fund

The Power the Purr Campaign Fund is an internally restricted fund that reports only internally restricted resources that are to be used for campaign purposes and the revenues and expenses thereof. During the year, the Board of Directors elected to collapse the fund as its purpose has been fulfilled upon payment of the building mortgage. All assets and equities were transferred to the Operating fund.

(b) Cash and cash equivalents

Cash include balances with Canadian banks and investments with maturities of three months or less.

Cash equivalents are held for the purpose of meeting short-term cash commitments rather than for investing or other purposes. For an investment to qualify as a cash equivalent it must be readily convertible to a known amount of cash and be subject to an insignificant risk of changes in value. An investment normally qualifies as a cash equivalent only when it has a short maturity of approximately three months or less.

(c) Short-term investments

Investments are comprised of short-term mutual funds and bonds with Canadian depositories.

(d) Accounts receivable

Accounts receivable comprise amounts due from funders.

Meow Foundation for the Adoption of Abandoned Cats

Notes to the Financial Statements

(Audited)

June 30, 2022

2. Significant accounting policies (continued):

(e) Due from related parties

Comprises of short-term operating loans and expense reimbursements from Regal Cat Café.

(f) Prepaid expenses

Prepaid expenses primarily comprise of advance payments made to vendors in the current fiscal year for goods and services to be received in the next fiscal year. Prepaid expenses are recognized as expenses in the period when the goods and services are received.

(g) Inventory

Inventory consists of donated goods and merchandise for resale. All inventory is recorded at the lower of cost (or where donated, \$nil) or net realizable value using the first-in, first-out method

(h) Capital assets

Property and equipment are recorded at cost and are amortized over their estimated useful lives using the straight-line basis at the following rates:

Building and improvements	40 years
Furniture and other	5 - 15 years
Website	10 years
Computer equipment	3 years

Land is recorded at cost for which the Foundation has chosen a policy not to amortize.

The Foundation records a write-down when property and equipment no longer have any long-term service potential to the Foundation and their net carrying amount exceeds their residual value. The excess net carrying amount over residual value is recognized as an expense in the statement of operations. Previous write-downs are not reversed.

(i) Investment in Regal Cat Café

The Foundation is the sole common share owner of a Canadian Controlled Private Corporation, 2425162 Alberta Ltd. o/a Regal Cat Café. A committee has been formed by the Foundation which sits on the board of directors of the Regal Cat Cafe and oversees its operational and strategic directives. The Foundation's investment in the Regal Cat Café is recorded using equity investment method.

The Regal Cat Café is subject to Part I Corporate Income Taxes; the results and operations are separate of the Foundation and any tax liabilities are the responsibility of the Regal Cat Cafe. Any net income disbursed to the Foundation is recorded as revenue on the Statement of Operations.

(j) Revenue recognition

The Foundation follows the deferral method of accounting for externally restricted donations and contributions. Restricted donations and contributions are recognized as revenue in the appropriate fund in the year in which the related expenditures are incurred. Unrestricted donations and contributions are recognized as revenue in the appropriate fund when received or receivable if the amount to be received can be reasonably estimated and collection is assured.

Grants are recorded as revenue in the appropriate fund when the related expenses have been incurred and the applications for the grants have been approved by the relevant government agencies.

Meow Foundation for the Adoption of Abandoned Cats

Notes to the Financial Statements

(Audited)

June 30, 2022

2. Significant accounting policies (continued):

(j) Revenue recognition (continued)

Adoption fees and thrift store sales are recorded as revenue in the appropriate fund when the good or service have been provided, and fundraising is recorded when cash has been received.

Net income generated by the Regal Cat Café is recognized as a return on investment when earned.

(k) Contributed goods and services

The Foundation recognizes contributions of materials such as pet food and pet supplies at the fair market value of these contributions as they can be reasonably estimated and are used in the normal course of the Foundation's operations and would have otherwise been purchased. Donations of gifts such as investment stock and or donated items for resale are recorded at their fair market value less any costs incurred to sell.

Volunteers contribute their time each year to assist the Foundation in delivering its services. Due to the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

(l) Measurement uncertainty

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the statement of financial position date and the reported amounts of revenues and expenses for the periods covered.

By their nature, these estimates relating to the collectability of receivables, prepaid expenditures, the useful life of the building, furniture, equipment, computer equipment and the website, and the amounts recorded as accrued liabilities are subject to measurement uncertainty and the effect on the financial statements could be significant.

Actual results may vary from these estimates, the impact of which would be recorded in future years.

(m) Financial instruments

Measurement of financial instruments

The Foundation initially measures its financial assets and liabilities at fair value. The Foundation subsequently measures all its financial assets and liabilities at amortized cost. Changes in fair value of these financial instruments are recognized in net income.

Financial instruments measured at amortized cost include cash, investments, accounts receivable, and accounts payable and short/long term debt.

Financial risk

It is management's opinion that the Foundation is not exposed to significant currency or price risks arising from these financial instruments. The following risk exposures related to the financial instruments are outlined as follows:

Liquidity risk

Liquidity risk is the risk that the Foundation will be unable to fulfil its obligations on a timely basis or at a reasonable cost as they come due. The Foundation's overall liquidity risk is monitored on a regular basis.

Meow Foundation for the Adoption of Abandoned Cats

Notes to the Financial Statements

(Audited)

June 30, 2022

2. Significant accounting policies (continued):

(m) Financial instruments (continued)

Interest risk

The Foundation is subject to interest rate risk on its long-term debt until the loan is repaid. The Foundation manages this risk by monitoring and negotiating repayment terms with the lowest interest rate for any fixed period of time.

Market risk

Market risk relates to the investments in shares through a certified broker. The Foundation's investments are held with a reputable Canadian brokerage and invested in Canadian stocks. Market risk is the risk that the fair market value of these stocks will fall below the original cost due to the performance of financial markets.

Credit risk

Credit risk relates to cash, investments and accounts receivable. The Foundation's cash and investment balances are held with reputable Canadian financial institutions. Accounts receivable are primarily due from government funders and the Foundation's donors.

Of the Foundation's total cash and investments of \$599,820, on June 30, 2022, \$296,087 were insured by the Canada Deposit Insurance Corporation and \$302,452 were invested in Canadian fixed income and equity funds with a certified Canadian broker. The average rate of interest earned on all of the Foundation's deposits was 1.71% (2021 – 1.14% on cash and investments of \$1,193,347).

3. Externally restricted assets / deferred cash contributions:

Deferred cash contributions consist of unspent casino funds and are restricted by the Alberta Gaming and Liquor Commission, Governments and other funders to be spent only on previously approved use of proceeds.

6. Related party transactions:

The Foundation is involved in the operations of its wholly acquired Canadian Controlled Private Corporation (22425162 Alberta Ltd. o/a Regal Cat Café). To facilitate the ease of operations in the newly acquired Corporation, the Foundation lends short term funds and reimbursements until the Corporation is able to cover its own expenditures.

During the year, the following related party amounts were receivable to the Foundation:

	<u>2022</u>
Advance short-term loan	\$30,000
Expenses paid for on behalf of the Corporation	18,281
Total related party receivables	<u><u>\$48,281</u></u>

The following related party transactions took place:

- The Foundation provided management services to the Corporation for a value of \$3,070 included in the related party receivables above;
- A share of the Corporation's net income was received by the Foundation for \$2,419 included as revenue.

7. Fundraising expense:

As required under section 7(2) of the Charitable Fundraising Regulation of Alberta, the following amounts are disclosed:

Costs incurred for the purpose of soliciting contributions comprising remuneration, and direct fundraising costs \$65,058 (2021 - \$136,864) of which \$nil (2021 - \$nil) was remuneration for fundraising activities
