Hello,

KOLS HOUSE SUPPORTIVE HOUSING SOCIETY is a newly incorporated nonprofit and is currently in the startup phase. As such, we do not yet have an annual report, financial statements, or an impact report.

We are seeking seed funding to support pre-opening and organizational readiness costs. Please let us know what alternative documentation you recommend at this stage, or if a brief organizational overview and startup budget would be appropriate.

Thank you for your guidance.

Sincerely,

Tanya Marion Lavallee
